

I ♡ PINK

MONA

Cancer Council Tasmania would like to invite you to attend the **6th Pink Ribbon Day Breakfast** at MONA on Monday, October 24, between 7–9am.

Guest Speakers:

Debra Lewis

Deb was diagnosed with early stage breast cancer four years ago. Her story proves that treatment can be successful and being vigilant about our health should be our top priority.

Karen Sprigg

Karen is a McGrath Breast Care Nurse and she lessens the impact of a diagnosis of breast cancer on women and families by providing information, clinical care and ongoing support.

Laura Cini

Laura works as a Health Promotion Officer at Cancer Council Tasmania and she enjoys educating the community about cancer risk factors.

Wear a **touch of pink** and enjoy a delicious breakfast of fresh local produce with a glass of pink sparkling on arrival, as ladies from the Tasmanian community join together to help the fight against breast cancer – a disease few have not been touched by in some way.
